An innovative circus-themed musical by film and stage star Anthony Newley about the cocky social climber, "Littlechap". As he searches for something better than he has, Littlechap becomes rich and successful but also faces unhappiness and loss. As old age approaches, he comes to terms with his feelings, realizes his loving wife and family were more than enough to sustain him and makes one final, unselfish act. Features the memorable songs "Gonna Build a Mountain" and the Grammy winning "What Kind of Fool Am I?" Enjoy cabaret-style seating plus a wine/beer bar and an expanded concession.
